## Transition Planning for Life after High School: Understanding Additional Components of the IEP

Presented by Joyce M. Hawk

Outreach Coordinator, Hudson Valley Special Education Parent Center

**This presentation will give parents an overview of how schools assist families in planning for a student's transition to adulthood by age 15. Parents will learn how goals for the future and transition activities will be developed and how transition services will be determined and documented in the student's Individualized Education Program (IEP). The importance of parent involvement and a teen's participation in the planning process will also be discussed.**

(Generally for parents of students age 12 and older)
