## October 2016

### Parents Who Host Lose The Most

**MaryAlice Presto, Alcohol & Drug Abuse Council of Orange County**

Parents Who Host Lose The Most educates parents and community members about the health and safety risks associated with serving alcohol at teen house parties and increases awareness of and compliance with state underage drinking laws.

While laws vary from state to state, this program's message is a universal one: it is illegal, unsafe and unhealthy for anyone under 21 to consume alcohol.

We will also discuss the specifics of Orange County's Social Host law.
