

# **ACCESS:** SUPPORTS FOR LIVING

in Middletown, NY, is pleased to announce they are accepting applications for their **Psychiatric Mental Health Nurse Practitioner Residency Training Program Inaugural Class**

**The Psychiatric APRN Residency Program begins on September 1, 2018.** This 12-month program provides intensive training to both community mental health care, and training in a high performance Community Behavioral Health setting. The program is specifically intended for psychiatric mental health nurse practitioners who are committed to developing practice careers in the challenging setting of Community Behavioral Health centers and other safety net settings. They are currently accepting applications for the 2018–2019 PMHNP residency class.  
**Application deadline: April 15, 2018.**

Qualifications: Recent graduates (within 18 months) of Masters or DNP programs, certified by ANCC as a PMHNP.

The residency is a full-time, 12-month salaried position with benefits. There is a one-year employment commitment upon completion of the residency program. The program structure includes: individual, peer and group supervision, specialty rotations, weekly didactic sessions, quality improvement training, participation in Project ECHO® and direct clinical practice in precepted sessions and mentored clinics.
